

Group 1

- 1 Our Issues: Affordable, Accessible Housing
 - Rent Control & accessibility
 - Housing subsidies
 - Buying restrictions - laws- pertinent in Vancouver BC
 - Funding support for grassroots & non-profit organizations that work in spaces

Long-Term Strategy

- Moving from shelter development to affordable housing units & PSH
- Basic Income
 - Advocating for intersectional & lived experiences to speak on topic/create space for voices at the table

What materials would you send?

- Roundtable discussion & elevate voices of lived experience
- Surveys & analysis of results by constituencies.
- Social media campaigns, petitions.
 - Call-ins, writing letters/emails
 -

Group 1

5

What is your ask? / What do you want them to commit to?

- New commitment to end homelessness (after what ended in 2018)

6

- Seeking support for our issues through media representation & official words of support
- Inquiry on affordability & accessibility on national level, to be translated down to provincial & municipal levels.

How would you engage them post-meeting?

- Personal Thank-you's & follow up, emails, invitations to events etc.
- Asking for updates on their commitment
- Media campaigns (

Group 2

1

- List Team Members (select a member to fill out slides and one to present)

2

- Marine, Euan, Jenn

3

- Select an issue you care about: gender based violence

4

- Identify your representatives: Rachel Bendayan, Ruba Gazal, Richard Ryan

- Plan your meeting.

- Brainstorm 2-3 key points.
- Reviewing existing policies related to combatting various forms of violence (cyber violence & harassment, workplace violence, etc.)
- Cyber violence and harassment and how to address it
- Applying an inclusive & intersectional lens to policy making
- Decriminalize sex work

5
